

1. Rosters must be filled out COMPLETELY and LEGIBLY.
2. Teams must have a minimum of 4 players / maximum of 7 players.
3. You can add players to your rosters during the 1st 3 weeks of League play. After the 3rd week, you must get board approval to add a player, and that player MUST replace someone on your original roster. The player that is being replaced CANNOT shoot for the rest of the season. (All Add-Ons require the same registration fee)
4. **BGDA Board will make final determinations on any players that come into question on Team Rosters. (ie... shooting in a Division too far below their known ability that causes detrimental harm to the Spirit of the League and Association). BGDA will always rule in a manner consistent with good order and fair play)**
