

## PLAYER ADD-ON INSTRUCTIONS FOR BGDA TEAMS

(First 3 weeks of Season)

If you wish to add eligible players to your teams during the first 3 weeks of any season, simply contact (call/text/email etc..) the President, Vice President or Statistician and let them know about your request. (You MUST notify us and we MUST acknowledge your add-on BEFORE the player may legally shoot). We need name and phone number of your new player. You must get the \$20 player fee to a Board member that same week.

(After 3<sup>rd</sup> full week of Season)

Same as above except the BGDA Board must vote to approve the Player Add-on. Normally, a player add-on after the first 3 weeks of League play will only be considered due to an emergent situation or a case where some player's work schedules change or a similar type situation that was not planned or known at beginning of season. (Teams should know work schedules/vacations etc....and plan accordingly) These cases are normally only considered if you are not able to maintain 4 players per week and, if approved, your "new player" must be replacing someone on your original roster. All requests are considered on a case-by-case basis.

\$20 is still due and collected for the New Player.
