

Statistician's Notes to BGDA FALL 2017 Teams

In case you ever need to print scoresheets, ALL Scoresheets are available on-line at www.bluegrassdarts.com in the BGDA Download Section. (left hand side)

BOTH TEAMS SHOULD TAKE A PICTURE OF **FRONT AND BACK OF COMPLETED SCORESHEETS AS A RECORD IN CASE THERE IS EVER AN ISSUE OR A LOST SCORESHEET**. If you are the Winning Team, you must **Text Pictures of Front/Back of completed scoresheets** to Statistician (859 248 7512) after your match is complete. I will acknowledge receipt of ALL scoresheets by noon the next day. 2 point penalty for no scoresheet texted in.

If you aren't a "texter or a picture taker" with your phone, **please have someone assist you with this** on your league night. I MUST receive a picture of your scoresheet front and back after Match is completed to enter the stats. Please leave the scoresheet in scoreboard at Host Venue.

My Number is at the TOP of all scoresheets; **859 248-7512**. This is the PRIMARY NUMBER where I would like to receive Texts and Pictures.

When taking a pic of your completed scoresheet, simply pin the sheet to a well-lighted dartboard with your darts. Make sure the ENTIRE Front and Back page is viewable in your 2 pictures. **Please CHECK PICTURES after you text them to me. If you can't read it, I can't read it. I cannot pull stats from a *BLURRY* sheet.**

As always, check scores for math, be sure ALL Award / Ton shots have been marked down and ensure both Captain's have signed back of sheet.
