

1. Rosters must be filled out COMPLETELY and LEGIBLY. We need ALL the information requested for EACH player.
2. Teams must have a minimum of 4 players: no maximum number of players.
3. You can add players to your rosters during the 1st 3 weeks of League play. After the 3rd week, you must get board approval to add a player, and that player MUST replace someone on your original roster. The player that is being replaced CANNOT shoot for the rest of the season. (All Add-Ons require the same registration fee)
4. Players can move down one Division only if they plan to play on a different team than the one they played the previous season. Players CANNOT move down and shoot two Divisions lower than previous season. **BGDA Board will make final determination on Shooters that come into question.**
